Dear Skate Lakeshore & Western Ontario Section Office,

This letter is to inform you that Jennifer Woodrich from your club was recognized as one of the Best of the Best CanSkate Coaches from across Canada. Jennifer attended the 2010 Skate Canada ACGM & National Coaching Conference in Toronto, Ontario and participated in a specialized training session directed at the delivery of CanSkate.

Coaches from across the country participated in a two-day training program led by Monica Lockie, Skate Canada Advisory Coaching Committee Chair and CanSkate Expert. A variety of training exercises prepared the Best of the Best CanSkate coaches to create their own 45 minute session from ground up and work with 25 local skaters.

Jennifer is a vital resource and good ambassador not only for the CanSkate program but for our sport. We encourage you to work with Jennifer in offering similar workshop opportunities to coaches within your own club, region and section as well.

CanSkate is the most important program a club offers. It is the first exposure young children experience in our sport. Their time in CanSkate will determine their outlook on skating and help decide their future on the ice. Our mission is to engage the child's interest in skating, help develop a love of our sport, and provide an environment that is happy, healthy and inspiring!

We thank you for nominating Jennifer this year and look forward to working with you in our quest to be the providers of the best learn to skate program in Canada.

Best regards,
